

**Response to Reviews of EEST-15-00056R1:**  
**FORMAL MODELLING OF PREDATOR PREFERENCES USING**  
**MOLECULAR GUT-CONTENT ANALYSIS**

**1 Reviewer #1:**

1. *The authors responded everything I suggested at the first reviewing. I have no additional comment and recommendation, except one typing error; P4 L33 (L137) Yjst to Yist*  
Fixed.
